

Offer of Early Help

At Ann Edwards C of E Primary School we recognise that providing early help means that we are more effective with supporting children and families. Early help means that we signpost support as soon as a problem emerges - this can be at any point in a child's life, from foundation years through to secondary school. The information in the table below identifies the levels of need and the services that the school can offer. This list is not exhaustive and the school will find additional or alternative support when necessary.

Child needs	School Provision	Community Provision	Other Provision
<p>Universal Services</p> <p>Children are making good overall progress in all areas of development. They are living in a protected environment where their needs are recognised and met.</p> <p>No additional support needed beyond that which is universally accessible</p>	<p>Our curriculum develops the characteristics that pupils need to thrive as individuals, as part of a family and in the community.</p> <p>The whole child is nurtured through a values-led curriculum and particular development of their pastoral needs through our PSHE and Pink curriculum.</p>	<p>www.glosfamiliesdirectory.org.uk</p> <p>Useful information detailing services that are available locally for families who live in Gloucestershire.
