We are excited to be running a second Year 1 class next year and are looking for a warm, dynamic and child-centred teacher to join our experienced Key Stage 1 team.

If you are committed to giving every child the absolute best start to their Key Stage 1 education, are fun and friendly as well as organised and an excellent communicator, then this is the post for you!

We are a forward-thinking, vibrant and child-centred village school where standards are high and learning is fun.

This is a great chance to join a school where there are real opportunities to grow and develop as a teacher in a buzzy and creative environment. Come and tell us what experience and aptitudes you can bring to our teaching team (we're also great at spotting potential!). The successful applicant will work alongside an experienced, supportive team whatever stage you are at in your career. If you are an ECT, then you will be supported by a committed mentor and given protected time as you engage with support offered by the Balcarras Teaching School Hub.
